PRODUCT DESCRIPTION

Cubix is a study of the visual relationship between two different geometric forms: the ring and the cube. In this design, the stem becomes a central element, forming a pleasing visual extension of the cube form. Concealed wiring and sleek trac adapter offer an ultra-clean appearance. The integral bayonet mount accessory holder in the MR16 version, and the optional bayonet mount accessory holder in the PAR30 version, accept up to two accessories simultaneously.

Cubix uses high-quality, die-cast aluminum construction and is available in attractive white, black and silver finishes.

Low Voltage MR16

Construction Die cast aluminum housing.

Lamp 12V, 50W maximum MR16 GU5.3/GX5.3 bi-pin.

Socket Ceramic bi-pin.

Accessory Holder Integral to fixture design • Die cast aluminum construction • Precision bayonet mounting • Accommodates up to two accessories simultaneously • Clear glass lens included with fixture.
Transformer Must be ordered separately • Compatible with T537 or T538 12V electronic transformer for halogen lamps (D1.2.1) • Compatible with T537 LED universal 12V electronic transformer for LED or halogen lamps (D1.2.5) • Compatible with T539 12V electronic transformer for halogen lamps (D1.2.0) • Compatible with T543 12V magnetic transformer for LED or halogen lamps (D1.2.0).

Aiming 360° horizontal rotation • 90° vertical aiming capability.

Labels UL and C-UL Listed.

Specifications subject to change without notice.

Catalog Number	Finish	Lamp
T890 WH	White	50W MR16 max.
T890 BL	Black	50W MR16 max.
T890 SL	Silver	50W MR16 max.

ACCESSORIES			
Cat. No.	**Description**	**Cat. No.**	**Description**
HCLBL 200	Hexagonal Cell Louver - Black	**UVF 200**	UV Filter
SNOOTBL 200	Snoot - Black	**DIFF 200**	Diffusion Lens
EYEBROWBL 200	Eyebrow - Black	**SOLITE 200**	Uniformity Lens (Solite)
CGF 200	Color Glass Filters	**PRISM 200**	Prismatic Spread Lens
DGF 200	Dichroic Glass Filters	**LSPREAD 200**	Linear Spread Lens
DCCF 200	Dichroic Color Correction Filters	**T58N**[1]	Monopoint Canopy

See specification sheet D1.2.2 for details. Other accessories can be found on specification sheet D1.2.0.

Notes:
1 Add finish code to complete catalog number (Example: T58N WH).

Line Voltage PAR20

Construction Die cast aluminum housing.

Lamp 120V, 50W maximum PAR20 medium base.

**Socket** Medium base porcelain with nickel plated copper screw shell.

Adapter Unique, attractive conical-elliptical shaped trac adpter • Copper alloy contacts provide precise spring action – no arcing and will not take a set • True, positive electrical ground • Spring-loaded positive latch with embossed polarity arrow secures trac light to trac • Two-position power contact provided for two-circuit application • Polarity indicator embossed on copper contact.

Aiming 360° horizontal rotation • 90° vertical aiming capability.

Labels UL and C-UL Listed.

Specifications subject to change without notice.

Avant Garde

CUBIX® SERIES

T890, T892, T893 and T898

Line Voltage PAR30

Construction Die cast aluminum housing.

Lamp 120V, 75W maximum PAR30 medium base.

Socket Medium base porcelain with nickel plated copper screw shell.

Adapter Unique, attractive conical-elliptical shaped trac adpter • Copper alloy contacts provide precise spring action – no arcing and will not take a set • True, positive electrical ground • Spring-loaded positive latch with embossed polarity arrow secures trac light to trac • Two-position power contact provided for two-circuit application • Polarity indicator embossed on copper contact.

Accessory Holder Must be ordered separately • Die cast aluminum construction • Precision bayonet mounting • Accommodates up to two accessories simultaneously.

Aiming 360° horizontal rotation • 90° vertical aiming capability.

Labels UL and C-UL Listed.

Specifications subject to change without notice.

Notes:
1 Use of light control accessories requires accessory holder (order separately).
2 Add finish code to complete catalog number (Example: T40N WH).

Line Voltage PAR38

Construction Die cast aluminum housing.

Lamp 120V, 150W maximum PAR38 medium base.

Socket Medium base porcelain with nickel plated copper screw shell.

Adapter Unique, attractive conical-elliptical shaped trac adpter • Copper alloy contacts provide precise spring action – no arcing and will not take a set • True, positive electrical ground • Spring-loaded positive latch with embossed polarity arrow secures trac light to trac • Two-position power contact provided for two-circuit application • Polarity indicator embossed on copper contact.

Aiming 360° horizontal rotation • 90° vertical aiming capability.
