

## FEATURES & SPECIFICATIONS

### INTENDED USE

Provides general illumination in hospitality, commercial and residential applications. Ideal for use in common areas, lobbies, foyers, hallways, corridors, living rooms, bedrooms, offices, restaurants, stairways and more.

### CONSTRUCTION

The Autry Collection features an LED light source surrounded by a fabric-covered drum for a contemporary look. Available in any number of combinations, the Autry collection is made up of three sizes, six shapes and a variety of fabric designs. The small drum is suitable for ceiling mount or wall mount as a sconce.

### OPTICS

Available in three different lumen packages, the single drum delivers between 600-1,600 lumens (determined by fabric/size selection).

### ELECTRICAL

Fixture operates at 120 volts, 60Hz. Standard input = small, 9 watts; medium, 16 watts; large, 24 watts. Compatible with AC phase control dimmers.

Works with most standard incandescent dimmers (see list of approved dimmers).

### INSTALLATION

All mounting hardware included for mounting to a standard junction box. The small drum is suitable for ceiling mount or wall mount. Medium and large sizes can be mounted flush to ceiling or to a variety of pendant options (see hanger options, page 2).

### LISTINGS

cUL Listed to US and Canadian standards and suitable for damp locations.

**WARRANTY** — 5-year limited warranty. This is the only warranty provided and no other statements in this specification sheet create any warranty of any kind. All other express and implied warranties are disclaimed. Complete warranty terms located at:

[www.acuitybrands.com/support/warranty/terms-and-conditions](http://www.acuitybrands.com/support/warranty/terms-and-conditions)

**NOTE:** Actual performance may differ as a result of end-user environment and application.

All values are design or typical values, measured under laboratory conditions at 25 °C.

Specifications subject to change without notice.

Photometric data report available within 2 weeks from request. Consult factory. Photometric data not available on all size/fabric finish selections.

## HANGER OPTIONS

See separate spec sheet at [www.acuitybrands.com/led-flush-mount-hangers](http://www.acuitybrands.com/led-flush-mount-hangers).

## ADDITIONAL INFORMATION

### SUGGESTED DIMMERS

The Autry Collection is designed to operate with most standard Triac Based dimmers and is not compatible with 0-10v dimming systems. The following is a list of dimmers tested and does not imply any guarantee or warranty of compatibility with a particular application. Unlisted dimmers do not imply non-compatibility.

Manufacturer	Part number(s)	Manufacturer	Part number(s)
