

MARK® ARCHITECTURAL LIGHTING

The **Whisper 3D** Series

Whisper 3D features the sloping lines and interesting angles of the Whisper series, but a unique center panel adds a whole new dimension. Available in metallic silver and gold as well as white and custom colors, the center panel provides an intriguing accent to complement your overall design.

Offered in 2' x 2' and 2' x 4' sizes that utilize two T5 or T5HO lamps, Whisper 3D provides a winning combination of style and illumination.
