

Trial Installation Program (TIP)

featuring Signature™ Series High-Performance Prismatic Skylight

How the TIP Program works:

- ▶ Sunoptics® will provide one Signature™ Series skylight for skylight installation per customer, with an approved purchase order.
- ▶ You will have 60 days to evaluate the performance of the Signature skylight in your space. The clock starts when the product is shipped from Sunoptics.
- ▶ Should you not be 100% satisfied with the Signature skylight, you can request a credit equal to the purchase price of the Signature skylight. No risk!

Rules

- ▶ Customer must receive approval from an authorized sales representative of Sunoptics prior to order
- ▶ Order must be marked – Trial Installation Program (TIP)
- ▶ Program available one per end-user customer, unless prior approval is provided by Sunoptics
- ▶ Credit applies only to the product material supplied. TIP excludes all freight, labor and other expenses
- ▶ Skylight only; does not include curb
