Indoor Decorative

Deco Half Round Sconce

Compact TT or DTT Fluorescent

FEATURES & SPECIFICATIONS

INTENDED USE

Provides accent illumination that visually expands the space and creates a relaxing atmosphere in residential and commercial applications such as hospitality, educational, health care and circulation areas. Ideal for use in hallways, stairways, dining areas, foyers, offices and meeting rooms.

ATTRIBUTES

The half round sconce includes a white acrylic diffuser with deco metallic casing. Both provide widespread uniform illumination. The half round design provides indirect up and down light on the wall.

Utilizes (2) 13W compact twin tube (TT) 2-pin lamps for energy efficiency, superior color rendering and long life (not included).

Standard with class P, sound rating "A" instant-on magnetic ballast (120 volt, 60Hz).

For use with non-dimmable switches only.

All mounting hardware included.

LISTING

UL listed and CSA Certified (standard). ADA compliant.

WARRANTY

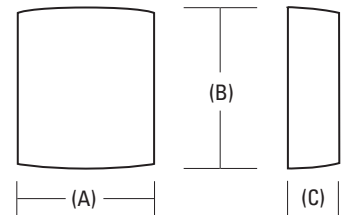

Guaranteed for two years against mechanical defects in manufacture.
